## RIMA-I Announces Platinum Level Members for 2010

The Reflective Insulation Manufacturers Association International (RIMA-I) gives the **Platinum** label to a company that is committed to the highest standards of ethics and professionalism and strives to actively contribute to the success and growth of the reflective insulation and radiant barrier industries. Because of the dedication and generosity of these companies, RIMA-I is able to conduct more research and produce additional educational opportunities on behalf of the industry; therefore, these companies are worthy of this special **Platinum** designation.

**Platinum Members** are prominently featured on the RIMA-I website at [www.rimainternational.org](http://www.rimainternational.org) in our "Members" section under "Active" and are identified by this special logo:

RIMA International is proud to announce that the following companies have joined this exclusive group for 2010:

- ☆ **RoyOMartin** ([www.RoyOMartin.com](http://www.RoyOMartin.com))
- ☆ **Astro-Foil/Innovative Energy** ([www.insul.net](http://www.insul.net))

*The Reflective Insulation Manufacturer's Association International is a group of dedicated people working together to propagate the knowledge and use of reflective insulations and radiant barriers. RIMA-I has been the major force in establishing fair ASTM standards for testing and installation procedures. RIMA-I welcomes all who are interested in promoting and directing the growth of the industry.*
