Got it Covered at I-RIM Conference 2016

As the International Reflective Insulation Manufacturers Conference (taking place June 1-3 at the beautiful Crowne Plaza Hollywood Beach Resort in Hollywood Beach, Florida) approaches, and as you make that all important decision on whether to attend, be sure to check out the program first. If you haven't taken the time to check it out, here is a list of several presentations scheduled for the ever nearing June event:

- How to Use DOE's Roof Savings Calculator (Hands on demo – Pre-show event)
- US Housing: The Gradual Recovery So Far and Prospects for Stronger Starts in the Next 5-10 Years
- EU and US Technologies and Strategies
- Overview of Thermal Resistance of Enclosed Reflective Airspaces for Different Building Applications
- Passive Radiative Cooling (Self-cooling materials)
- Advances in Protection of Plastics
- Attic Radiant Barrier Systems to Save Energy
- Field Evaluation of Radiant Barrier and Reflective Insulation products in Malaysia
- Commentary on ASTM C1224
- European Standardization and the Global Evolution
- Evaluating Reflective Duct Insulation
- Roof/Attic Thermal Performance Simulations – 2015/16 Update
- Certification of Reflective Insulation for the European Market
- A Survey of Radiant Barrier and IRCC Modeling and Simulations
- The Role of Third Party Ratings in Supporting the Roofing Industry
- Mainstreaming the HERS Index
- An overview of the Building America Partnership for Improved Residential Construction (BA-PIRC)
- Reflective Insulation in Russia
- Latin America R-Value Standardization
- Reinforcing Our Place In Space
- ASHRAE 90.1
- Alternative Uses for Reflectives

If these discussions are of interest to you, don't delay! Extended discounts are available **only through May 1st** and the hotel block will be dropping then as well so the time to plan your participation is now! Complete conference information including exhibitor and attendee registration forms, a link to the hotel reservation website and more can be found at <http://www.rimainternational.org/index.php/i-rim-conference/2016-i-rim-conference/>. See you there!

(The Reflective Insulation Manufacturer's Association International is a group of dedicated people working together to propagate the knowledge and use of reflective insulations and radiant barriers. RIMA-I has been the major force in establishing fair ASTM standards for testing and installation procedures. RIMA-I welcomes all who are interested in promoting and directing the growth of the industry. For more information about membership or the industry, please contact Executive Director Mary Edmondson at 800/279-4123 or visit us on our website at www.rimainternational.org.)
