I-RIM Conference Almost Here!

If you haven't secured your seat for the upcoming 2016 International Reflective Insulation Manufacturers Conference, the time to make that decision is now! Let me remind you of *some* of the organizations presenting at this year's event:

- Oak Ridge National Laboratory
- US Department of Energy
- Forest Economic Advisors LLC
- National Research Council Canada
- Fraunhofer Institute
- British Board of Agrément
- R&D Services, Inc.
- Florida Solar Energy Center
- Russia Academy of Building Sciences
- University of Kansas
- San Miguel Yamamura Woven Products Sdn. Bhd. Malaysia
- Consultant Guy Delcroix - France
- Cool Roof Rating Council
- Dunmore Corporation: Reflectives in Space
- RESNET

This is your last opportunity to register in advance, so follow/cut and paste this link to obtain your registration form and full conference details- <http://www.rimainternational.org/index.php/i-rim-conference/2016-i-rim-conference/> .

This event will not return to the US until 2020 – so get moving, get registered and we will see you there!

(The Reflective Insulation Manufacturer's Association International is a group of dedicated people working together to propagate the knowledge and use of reflective insulations and radiant barriers. RIMA-I has been the major force in establishing fair ASTM standards for testing and installation procedures. RIMA-I welcomes all who are interested in promoting and directing the growth of the industry. For more information about membership or the industry, please contact Executive Director Mary Edmondson at 800/279-4123 or visit us on our website at www.rimainternational.org.)
