Exhibitor Registration Now Open for 2016 International Reflective Insulation Manufacturers Conference

The 2016 International Reflective Insulation Manufacturers (I-RIM) Conference will take place **June 1-3** at the Crowne Plaza Hollywood Beach Hotel in Hollywood Beach, Florida. Interest in the conference has been booming; and new details on the event are now available.

Although this is a technical/educational conference, the program does include exhibit space. Those interested in maximizing their time at the conference by sharing information about their company/service/product with conference attendees can do so at the Cocktail Reception/Trade Show on Thursday from 5- 7 p.m. and again from Noon – 2 p.m. during lunch on Friday. Exhibits will be placed around the perimeter of the room to give each exhibitor direct contact with every event guest. Combining these catered events with exhibit time will ensure traffic to every booth. Exhibitor registration also **includes two FULL conference registrations** with your option of table top or pop-up display space.

The complete program schedule is now available along with details on the sessions and presenters. You can find all this information on the association website at <http://www.rimainternational.org/index.php/i-rim-conference/>. Exhibit spaces are limited so don't wait – secure your space now. For more information or assistance contact RIMA International at 800/279/4123 or 913/730-8869 or by e-mail at rima@rima.net.
