## Amazing Lineup of Presenters for I-RIM Conference 2016

With the 2016 International Reflective Insulation Manufacturers Conference (taking place June 1-3 at the beautiful Crowne Plaza Hollywood Beach Resort in Hollywood Beach, Florida) just around the corner, ***it's time to take a serious look at the program*** and get your registration in. You will clearly see that nowhere else will you find this incredible collection of industry experts all in one place. And for the future of your business and industry, this is an event you simply cannot afford to miss.

Check this out! Here is a list of just *some* of the organizations presenting at this year's conference:

Oak Ridge National Laboratory  
US Department of Energy  
Forest Economic Advisors LLC  
National Research Council Canada  
Fraunhofer Institute  
British Board of Agrément  
R&D Services, Inc.  
Florida Solar Energy Center  
Russia Academy of Building Sciences  
University of Kansas  
San Miguel Yamamura Woven Products Sdn. Bhd. Malaysia  
Consultant Guy Delcroix - France  
Cool Roof Rating Council  
Dunmore Corporation: Reflectives in Space  
RESNET

This is just a sample of what you will find at the 2016 event. A complete list of sessions and descriptions (along with complete event details) can be found at <http://www.rimainternational.org/index.php/i-rim-conference/2016-i-rim-conference/>.

Comparing the exposure and access to such knowledgeable industry experts and information (both from the educational session and through the daily networking events) to the cost of the investment, it's a no brainer. Register early and save with the advance registration discounts and we will see you in Florida in June!

*(The Reflective Insulation Manufacturer's Association International is a group of dedicated people working together to propagate the knowledge and use of reflective insulations and radiant barriers. RIMA-I has been the major force in establishing fair ASTM standards for testing and installation procedures. RIMA-I welcomes all who are interested in promoting and directing the growth of the industry. For more information about membership or the industry, please contact Executive Director Mary Edmondson at 800/279-4123 or visit us on our website at [www.rimainternational.org](http://www.rimainternational.org).)*
