Want Exposure? I-RIM Conference 2016 Hooks You Up!

If you are involved in the reflective products market and want to get your name out in the industry, the 2016 International Reflective Insulation Manufacturers Conference is the place! Nowhere else will you find such a global collection of industry related professionals and peers than at this special event taking place June 1-3 at the Crowne Plaza Hollywood Beach Resort in Hollywood Beach, Florida. Who better to know you and your business than the leading experts in reflectives as well as every aspect of the building industry?

Although the focus is on education, an boutique trade show is included which provides a very intimate and direct opportunity to mix and mingle with everyone at the event sharing your company information, products and services in the perfect social and casual affair. The first day's show includes a hosted cocktail party, which is a great way to end day one of the event. The second includes lunch so everyone at the conference will be there.

IMPORTANT NOTE:

One of the benefits of exhibiting is being include in promotional materials; and we are getting ready to print the onsite brochure. If you are interested in being included and having your name and logo in this piece, you must confirm your exhibit space **by May 11.**

Don't miss out on this unique opportunity to put your company information into the hands of the most knowledgeable people in the industry. Complete conference details as well as exhibitor registration forms, hotel and more can be found at <http://www.rimainternational.org/index.php/i-rim-conference/2016-i-rim-conference/> . You can also contact us at rima@rima.net or by calling 913/730-8869.

(The Reflective Insulation Manufacturer's Association International is a group of dedicated people working together to propagate the knowledge and use of reflective insulations and radiant barriers. RIMA-I has been the major force in establishing fair ASTM standards for testing and installation procedures. RIMA-I welcomes all who are interested in promoting and directing the growth of the industry. For more information about membership or the industry, please contact Executive Director Mary Edmondson at 800/279-4123 or visit us on our website at www.rimainternational.org.)
