The Reflective Insulation Manufacturer's Association International is a non-profit association comprised of dedicated people working together to propagate the knowledge and use of reflective insulation and radiant barriers. RIMA-I has been the major force in establishing fair ASTM standards for testing and installation procedures. RIMA-I welcomes all who are interested in promoting and directing the growth of the industry. For more information about membership or the industry, please contact Executive Director Mary Edmondson at 800/279-4123.
