Less Than 30 Days to Take Advantage of the I-RIM Conference Early Registration Discounts!!

Because of the growth and demand for uniformity on a global level within your industry, the International Reflective Insulation Manufacturers Conference (I-RIM Conference) has been created and will be held June 21-23, 2010 at the Hotel Avenida Palace in Barcelona, Spain. The I-RIM Conference will provide guests with the insight and education on what is happening within the industry and exclusive access to the most knowledgeable experts in the field.

Each workshop will be presented by experts from various regions of the world including North America, Europe, Asia and Australia and cover such topics as The State of Reflectives; Thermal Performance: Analysis and Testing; Radiant Barriers: Experiments, Modeling & Simulation; Determination of Thermal Emission; Stability of Metalized Films and Foils; Large-Scale Testing; Applications Around the World; current and ongoing research and more. There will also be open forum discussions and an opening night social event which will provide guests additional opportunity to network and learn more about the industry with peers.

There are six corporate sponsors for the I-RIM event as follows:

* Dunmore Corporation * Venture Tape * KdB Isolation S.A. * Reflectix Inc.
* Astro-Foil International * RoyOMartin

The event also features keynote speaker Emilio Mitre, Director of International Affairs for the World Green Building Council España. Mr. Mitre is one of the best known Spanish sustainable architects and co-owner of a very prestigious private architectural practice named ALIA, Arquitectura, Energía y Medio Ambiente S.I.

Attached is a six-page conference brochure with complete details on the event including a conference schedule, workshop descriptions, speaker bios and event registration and hotel reservation forms. [Discounts are available to those registering before April 16, 2010.](#)

RIMA International looks forward to hosting the I-RIM Conference 2010 and working to grow the industry through this important educational and information-sharing event. Please join us June 21-23, 2010 in Barcelona for I-RIM 2010.

(The Reflective Insulation Manufacturer's Association International is a group of dedicated people working together to propagate the knowledge and use of reflective insulations and radiant barriers. RIMA-I has been the major force in establishing fair ASTM standards for testing and installation procedures. RIMA-I welcomes all who are interested in promoting and directing the growth of the industry.
