Room Block Drops Monday for I-RIM Conference 2018

The buzz continues to grow as we draw near to the 2018 event May 9-10 at the beautiful Marriott Los Suenos Beach and Golf Resort in Puntarenas, Costa Rica. This technical conference is the who's who of the reflective products industries and the only place you will learn about recent research, code challenges and accomplishments, new technologies, market growth, the various uses of reflectives around the world (to name a few) and be able to network and build vital relationships with the top industry experts from around the world.

That being said, if you haven't reserved your spot, time is running out. The room block at the Marriott will be released on Monday (April 9th) and there is very limited space still available so the time to make the decision is now. Still on the fence? You can review details of the conference program including descriptions of the presentations and much more (including book your room) here - <https://www.rimainternational.org/i-rim-conference/2018-i-rim-conference-costa-rica/> .

The event is being presented in both English and Spanish so we can include speakers and guests from the region as well as extend the opportunity to others around the globe. A quick and easy online registration form can be accessed here in English - <https://maryedmondson.typeform.com/to/Jbg3Tp> and here in Spanish - <https://maryedmondson.typeform.com/to/u85JRj> so take a moment and secure your spot in this very special event. If you don't find answers to your questions from the page linked above, contact show management directly at rma@rima.net. See you there!

(The Reflective Insulation Manufacturer's Association International is a group of dedicated people working together to propagate the knowledge and use of reflective insulations and radiant barriers. RIMA-I has been the major force in establishing fair ASTM standards for testing and installation procedures. RIMA-I welcomes all who are interested in promoting and directing the growth of the industry. For more information about membership or the industry, please contact Executive Director Mary Edmondson at 800/279-4123 or visit us on our website at www.rimainternational.org.)
